

SUMMER 2018 Current CMC DRUM Students

Your registration agreement is for year round lessons including summer months. Our summer schedule is flexible enough to allow for vacations and time off for students while still maintaining musical continuity. Continuous students are not subject to tuition increases that occur each fall. Tuition payments are still due on June 1, July 1, and August 1 and provide you with one of the following options:

(Please Initial Choice)

- Best Value:** Two DRUM CAMPS of your choice
(Equivalent to 12 lessons. Fall Semester begins 8/20/18)
- Better Value:** One DRUM CAMP of your choice + 4 REGULAR LESSONS scheduled your convenience (Equivalent of 10 lessons. Fall Semester begins 8/20/18)
- Good Value:** Eight REGULAR LESSONS scheduled at your convenience
(Equivalent of 8 lessons. Fall Semester begins 8/20/18)
- None of the above.** I choose to withdraw effective this summer and this serves as my minimum 30-day notice. I understand that if I decide to re-enroll at a future date that I may be placed on a waiting list for our next available teacher. Re-enrolling students also pay a new registration fee and the new tuition rate.

SPECIAL: Add a camp to Good, Better, or Best for only \$99

Please circle two or more date choices for each selected camp:

The more options you give, the better chance to find a good group of like minded drummers!
