

BEGINNER PIANO SESSIONS SUMMER 2024

- Jump start introduction to piano basics in a group ensemble experience
- Students will use the **Roland Music Tutor** with MIDI file technology, which will progress two or three times faster than normal!
- **Instrument Advice:** Students with an 88-note acoustic or digital piano with fully weighted hammer action at home tend to be more successful.
- A Roland digital piano with a built-in Music Tutor is the teacher recommended instrument with best tone, best touch, and best educational features of any type of piano.
- If you have an acoustic piano please have it tuned before camp begins and every 6 months while your child is taking lessons.
- We offer **low cost piano rentals** including an optional summer camp rental that includes local/no stair delivery & pickup.
