

# BEGINNER PIANO CAMP AT

- **Learn:** piano and keyboard basics, play fun songs
- Group ensemble experience — **like being in a Band!**
- Students use an in-home helper called the **Roland Music Tutor**. This utilizes MIDI file technology to help you practice and learn the music in between lessons. Students using the Roland Music Tutor to practice typically progress two or three times faster than normal!
- **Instrument Advice:** Students with an 88-note acoustic or digital piano with fully weighted hammer action at home tend to be more successful. Capital Music Center offers low cost piano rentals. Our summer camp optional piano rental even includes local/no stair delivery & pickup. A Roland digital piano with a built-in Music Tutor is the teacher recommended instrument as it provides the best tone, best touch, and best educational features of any type of piano. If you have an acoustic piano please have it tuned before camp begins and every 6 months while your child is taking lessons.
