

BEGINNER DRUM SESSIONS SUMMER 2020

- **Learn:** Drum-set basics, play fun songs
- Group ensemble experience — **like being in a Band!**
- **Instrument Advice:** Roland digital drum sets are ideal for learning, as they can be used with headphones and produce significantly less external sound than a conventional drum set. Furthermore, students can hook up a lap-top, or an mp3 player to play along with. The Roland company is the leader in digital drum sets, using its patented **Mesh Drum Head** technology that allows the development of touch, at a volume that is home friendly.
